

***Dear Parent /Guardian***

Hope everything is fine at your end and the same is herein with the school. First term of your ward completed smoothly with the co-operation of all associated with Wisewoods.

Academic & Advanced Exams are a part of curriculum which was conducted as per the calendar and marks SMS also were sent to your registered mobile numbers.

We are conducting Detailed Assessment Exam to your ward in the subjects English, Mathematics & Science. Reports of the test will be given to you at the earliest.

We are glad to inform you that our wisewoods students are going to take part in CBSE cluster games during the vacation.

As you are aware that the learning is endless and is a continuous process, so to keep intact with our young minds(i.e. your wards) my teachers have designed **productive works** in English, Mathematics, Science and Social Science which have to be completed by the students and submit to the concerned teacher on the re-opening day.

Many more new things are in the offing in future.

With Best Wishes.

SANJAY BHATIA

***Principal***

---

**Vacation Work for Grade VI**

**Note:**

- Use only A4 sheets for writing information with borders, for each subject separately.
- Each student must use atleast 5 to 6 A4 sheets apart from Index page and Conclusion page.

## ENGLISH

### Project - 1:

Collect any 10 collective nouns and make 10 sentences of your own using them.

Ex : Team of players.

In Our school **Team of players** were encouraged by the principal to take part in state level Cricket competition.

### Project - 2:

Prepare a poster on any one of the given topics.

- Noise pollution
- Deforestation
- Girl Education

Add suitable slogan and graphics.

## MATHEMATICS

### Project - 1:

Paste 5 circles cut from different colour papers on an A4 size paper then draw the following parts of a circle on your work sheet.

- Diameter
- Radius Semicircle
- Chord
- Sector
- Segment

### Project - 2:

List all the prime numbers between 1 to 100 by using sieve of Eratosthenes.

## SCIENCE

### Project - 1:

Collect information about pollution. List some major effects of air pollution, water pollution, Land pollution and Noise pollution. Think and write some preventive methods to control the pollution in your own words. Add graphics or pictures relevant to your information.

### Project - 2:

Collect pictures of different leaves of different plants and write two or three interesting facts about the leaves you have collected. Paste those leaves pictures on your worksheet.

## SOCIAL SCIENCE

### Project - 1:

Write a brief information about the books related to 3,500 years ago and collect two pictures related to your information. (Ex : Vedas)

### Project - 2:

Collect the information about any two historical places in India and paste one or two pictures related to them.
